

Face & Fingerprint Access Control and Time Attendance Management Systems

Specifications :

Product Name		Facial recognition terminal
Product Appearance		
Model		TM-F850
Recognition	Facial capacity	1500
	Fingerprint capacity	5000
	Card Capacity	5000
	Password capacity	5000
	Record capacity	500,000
	Identification style	Facial, Fingerprint, PIN, card
	Identification Mode	1:N , 1:1
	Identification speed	≤1.0s
Display	Display	4.3" Capacitive TFT Color touchscreen
	Languages	Chinese, English, and more.
	Voice	Chinese, English, and more.
Communication	Communication	USB flash drive, TCP/IP (Option WIFI)
Access control	Access control	1 set relay signal output
Others	Dimension	170*140*35mm
